

VILLA LOLA

CAP MARTIN - FRANCE

« Beautiful luxurious Villa Lola has the most stunning views over the Bay of Cap Martin »

Paradise on the French Riviera, Villa Lola is one of the most popular homes thanks to its very high quality of standards.

Completely refitted this year, this spectacular 350 square meters villa offers accommodation for up to 12 guests in two Master suites, three additional bedroom suites and one staff bedroom. She can easily accommodate family and friends, creating memories to last a lifetime.

The entrance table made in Kaori wood old more than 4000 years, the Italian library with ceramic columns, the original chameleon chair and even a crystal welded chandelier, this unique “arty” place will surprise and delight you. Each room has its own personality and its own character...

Be seduced by its unique welcoming charm!
